Our trip is to Guipuzcoa, to the north-east of Navarre, to discover the beautiful city of San Sebastian and enjoy its superb cuisine. Tradition and modernity go hand in hand on the shore of the Bay of Biscay. On the journey home, we'll visit Etxalar, a beautiful village surrounded by mountains and green pastures, where we'll discover one of the oldest techniques for capturing birds.

THE REAL NORTH. LAND AND SEA

**9:30**

Departure for a trip to **San Sebastián**, the pearl of the Bay of Biscay, and to the **Bidasoa valley**, in northern Navarre.

**10:30**

Arrival at the city. The tour will start with a panoramic view by bus, going up the **Igeldo hill**, affording the best views over the **bahía de la Concha** bay with its two beaches.

We will then go on to see the **Peine del Viento**, a famous work by the Basque Sculpture, **Eduardo Chillida**.

During this tour, you'll pass by the beaches, cathedral, Anoeta sports area and the Romanesque area of the city, where the **María Cristina Hotel** and **Victoria Eugenia theatre** are located. You'll also see the **Kursaal** palace of congresses and festivals, the work of the architect **Rafael Moneo**.

Once at the **Town Hall**, we'll start the walking tour through the city's old quarters, visiting the **Basilica of Santa María del Coro**, the fishing port and the streets in which the largest number of **tapas bars** is to be found. You'll be able to enjoy some **tapas** as a unique way of having lunch.

16:00

After visiting this beautiful city, the next stop is the village of Etxalar, in the Bidasoa valley

16:45

Once there, we'll go into the woods, to discover one of the oldest traditions of the valley and Navarre. Namely the unusual **net hunting**, unique in the Iberian peninsula and which dates back to the 15th century, practised in the famous **Palomeras de Etxalar** pigeon shooting shelters..

In addition to getting to know the details of the process, we'll also take a walk along the hills to enjoy the impressive landscape of the Pyrenees (along what is known as the **sendero de las palomeras** or pigeon path).

**18:30**

Para finalizar, visitaremos el **Señorío de Bértiz**, donde conoceremos el Centro de Interpretación de la Naturaleza y daremos un paseo por el Jardín Botánico, de principios del siglo XX.

**20:00**

Before returning to the hotel, we'll make a final stop at the **Venta de Ultzama** restaurant, a typical country farmhouse constructed in 1896, with an extensive menu primarily comprising fresh, natural, seasonal ingredients.

Here you'll enjoy an exquisite afternoon snack - evening meal, which will undoubtedly be the finishing touch to an unforgettable day.
